Gone Fishing

Jim had a terrible day fishing on the lake, sitting in the blazing sun all day without catching a single one. On his way home, he stopped at the fishmonger and ordered four rainbow trout. He told the fishmonger, "Pick four large ones out and throw them at me, will you?"

"Why do you want me to throw them at you?" asked the fishmonger? "So that I am able to tell my wife, in all honesty, that I caught them" said Jim.

"Okay, but I suggest that you take the salmon."

"Why's that?"

"Because your wife came in earlier today and said that if you came by, I should tell you to take salmon. That's what she'd like for supper tonight" replied the fishmonger with a grin.
